Amtrak® Veteran's Locomotive

The Amtrak® Veteran's Locomotive serves as a company-wide tribute to the men and women of the United States Armed Forces. It features a red, white and blue paint scheme, 50 stars, and a specially designed logo with service ribbons given to distinguish a military member's career.

This diesel-electric powered P42 locomotive is the backbone of Amtrak's fleet and is used in a variety of passenger services. Able to reach a top speed of 110 mph, the Amtrak Veteran's Locomotive will be utilized across the Amtrak system and used for special events.
